This Readers club fundamentally and in-essence provides a platform to registered Inner Wheel members to read books of all genres and authors from different countries.

We will provide a radical forum for all booklovers to read, discuss and share view on the books that they will be reading for the month.

This club will motivate you to see movies based on books- the popular reads and to share interesting excerpts from them. On few occasion we will invite authors/experts to share their views, journeys, works and aspirations with the club members.

The members will need to:

- \* COMMIT to read one book every month
- \* Will participate in group discussions when ever assigned. *(8 members will be assigned every meet to speak for 3 minutes each)*
- \* Will earnestly attend the monthly meets *(duration 90 mins)*
  - \* All meetings will be held on zoom
- \* Meetings will be held first Thursday of every month at 4 pm *(a change will be notified if it is festival time or national holidays)*
  - \* During discussions, *"agree to disagree respectfully"*.
